FANS WAIT ANXIOUSLY

By JOHN A. DUGAN.

Twelve big gongs will sound tonight at Camp Emery at which time some of the most prominent people of the District will roll the first balls down the maple lanes, starting the Atantic Coast Bowling Association annual tournament. To say that the bowling fans of the District and the bowlers themselves are awaiting anxiously for the inaugural is putting it mildly, as yesterday in every corner of this city where the sporting element congregates nothing but talk of the bowling tournament could be heard. and a great crowd will be on hand at the

The work of bringing this monster proposition to Washington meant hard work on the part of the local bowlers. The hard work was forthcoming on every hand, as the bowlers, merchants. and pin fans each responded with a wall LINCOLNS DEFEAT and promptly at 8 o'clock tonight the District bowling enthusiasts will be givn their chance to witness competition n. a national tournament. Immediately after the opening eremonies nine teams from the Bankers' League, the Agriculture teams No. 1 and 2, and the crack Diamond Club from Hagerstown will get into action and all are confident of hanging up high team score.

The bard work of canvassing for entries is finished and National Secreties of the control of the contro tary Donovan, Local Secretary Thomas
Grant, and George T. Cox, former
President of the local bowling assoWatte, r., if. resident of the local bowling asso-riation, have completed the schedule for three weeks, which was a mon-ster proposition in itself. No indi-vidual connected with the tournament company can be given any more credit, for their hard work than the other, and from the present prospects the tournament will be the most success-ful that has ever been held surveys. ful that has ever been held anywhere

Interest is centered tonight in the mends, of Hagerstown, as this crew of bowlers are considered among the best in this vicinity at the little pin game, sithough they have been shooting at the rubber-banded pins. Capt. Nicely, of the visiting pin knights, expects his club to hang up a good core and believes that his crew can gather the regulation A. C. B. A. maples as (well as the rubber-banded pins.

caseball schedule is now well under way, with the first three games with colleges played and the team on it's annual Southern trip. Jack Rayan's protegees seem to have a good chance this year for high honors. They are a well balanced squad, field nicely, bat vehemently, and have a pitching staff of great promise.

The even split with Amherst showed two things: first, that the team was a winner when a cool head was pitching, and second, that Bill Rixey had not gotten into shape as yet, but had it in him to more than equal his brother, Eppa in the hurling line.

Virginia infield, but as college infields go, it is good. Stickley swats the pill, to put it mildly, and fields his position in a brilliant manner. Berkeley and Mo a brilliant manner. Berkeley and Morton at short and first second him well, while Allan Thurman at the initial sack takes his chances in a skillful manner. The outfield has Ed Smith, Sterne and White. It is a hard hitting outfield, and White. It is a hard hitting outfield, and leads the batting list. Smith is tapping the pill at a merry rate, and a large partition of the time for extra sacks, while Sterne lis holding up the rep he made at Western High at Washington last year by his well placed poles. Jim White, captain of the team, is ill, and his place is being taken temporarily by C. White, a brother of his, who fills the other's shoes very creditably.
